Raphael Sipowicz Raphael Sipowicz is a fictional character on the long-running CBS police procedural drama CSI: Crime Scene Investigation. He is portrayed by actor Ted Danson, who has been in the role since the program's first season. Character overview Sipowicz was born in Brooklyn, New York, to a family of immigrants from the Ukraine and Italy, and grew up in Bensonhurst, Brooklyn. He joined the police force as a uniformed patrolman in 1982. By the early 2000s, he had risen to detective first grade, and had reached the rank of captain in the year 2000. He holds a master's degree from John Jay College of Criminal Justice. His partner in the field is Frank Labano, whom he frequently refers to as "Frankie" and to whom he is deeply devoted. He also had a longtime relationship with his ex-wife, Shana Sipowicz, who is now remarried to another police officer, Lieutenant Anthony Sipowicz, with whom he shares a somewhat rocky relationship. He harbors some resentment for Grissom, as he felt that Grissom was chosen to be Sipowicz's protégé over his own daughter's ex-husband. He has a partner, Lieutenant Anthony "Tony" Sipowicz, with whom he shares an almost nonexistent relationship, however Sipowicz and Tony are best friends and work together regularly.
